

ARGUMENTS/REMARKS

The application has been carefully reviewed in light of the Quayle action, and amended as necessary to correct the deficiencies identified by the Examiner.

Claims 2-15 and 21 remain in this application. Claim 1 has been previously canceled. Claims 16-20 were withdrawn as the result of an earlier restriction requirement and are canceled by this amendment, but applicant retains the right to present those claims in a divisional application. Finally, claims 5 and 6 have been amended to correct a spelling error.

Accordingly, it is respectfully submitted that the present application is in a condition for allowance. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. TSW-32992.

Respectfully submitted,
